

ONE-TIME RESELLER AGREEMENT

This One-Time Reseller Agreement (the "Agreement") is entered into by and between AvePoint Deutschland GmbH d/b/a AvePoint France, a French branch with offices at 235 Avenue Le Jour se Lève, 92100 Boulogne-Billancourt, France ("AvePoint") and the legal entity identified as "Reseller" on the relevant sales quote issued by AvePoint ("Sales Quote") on the earlier date of Reseller's acceptance (by signature or otherwise, expressly or implied) of the Sales Quote or receipt of the Products identified in the Sales Quote. This Agreement will serve as the mutual understanding regarding a one-time purchase and resale of Products by Reseller to the end customer that is named on the Sales Quote ("Customer"). AvePoint refers to each product developed by AvePoint, excluding any maintenance, support and professional services (unless expressly included in the Sales Quote), as a "Product".

1. Appointment of One-Time Reseller, Term of the Agreement

Reseller shall purchase and sell the Products, which have been specified in the Sales Quote, in its own name and for its own account. This Agreement will automatically terminate once all of the obligations relating to that one-time resale are complete.

2. Grant of License in Products

AvePoint hereby grants to Reseller a non-exclusive, one-time right and license to distribute the Products to the Customer. Reseller shall not be permitted to sublicense the use of the Products, except to the extent necessary for the distribution of the Products to Customer. Reseller shall further not be permitted to rent, lease or otherwise make the Products available to third parties for a limited period in time for profit-making purposes, including outsourcing or service bureau services, time-sharing arrangements, or application service providing. Reseller may not assign or otherwise transfer all or part of its rights to use the Products, as granted by AvePoint under this Agreement, including, in particular, the right of reproduction, to any other person or entity without the prior written consent of AvePoint, which consent may not be withheld contrary to the principles of good faith.

The Code portion of the Products may be distributed only in object code form. Reseller shall conclude an agreement with Customer regarding the sale of Products from Reseller to Customer. Reseller shall explicitly inform Customer prior to entering into any such agreement, that a separate software license agreement with AvePoint ("Software License Agreement") must be accepted in writing or electronically by the Customer prior to or upon receipt of the Product. Reseller and the Customer may not use, copy, modify, or transfer the Product, or any copy, adaptation, transcription, or merged portion thereof, except as expressly permitted by AvePoint.

3. Ordering Procedure, Pricing, Payment Terms

As a general rule, the respective current list prices for the Products shall apply, plus the statutory Value Added Tax. Discounts applicable to Reseller, if any, are set forth in the Sales Quote.

Upon acceptance of the Sales Quote by Reseller, AvePoint shall (i) provide necessary activation information to Reseller to allow Customer to download the Product or (ii) otherwise supply the Product to Reseller, in each case accompanied by corresponding invoices.

In the event an invoice does not accompany a shipment of Products, Reseller shall notify AvePoint of the omitted invoice immediately. Upon receipt of each invoice, Reseller shall forward to AvePoint, at the address included on the invoice or by wire transfer, payment in full, without deduction or setoff, of the amount indicated on the invoice. Reseller shall have thirty (30) days from the date of an invoice to forward payment in full to AvePoint. If payment in full is not received by AvePoint within thirty (30) days following the date of an invoice, Reseller shall be assessed interest at the rate of one and a half percent (1.5%) of the total amount due, per day, or the maximum rate of interest allowed by law, until the invoice is paid in full. In the event Reseller's account is referred to a collection agency, Reseller shall also pay all costs incurred by AvePoint for actions taken by the collection agency.

4. Limitation of Liability

AvePoint will not be liable for indirect, special or consequential damages, or any loss of revenue, profits or data, arising in connection with this Agreement, even if AvePoint has been advised of the possibility of such damages. Further, AvePoint's aggregate liability arising with respect to this Agreement will not exceed the total discount received by Reseller under this Agreement.

5. Relationship of the Parties

Reseller and AvePoint are independent contractors, and nothing in this Agreement will create any partnership, joint venture, agency,

franchise, sales representative, or employment relationship between the parties. Reseller will have no authority to make or accept any offers or representations on AvePoint's behalf.

6. Compliance With Law

(h) Reseller shall not retain any third party broker, consultant or agent to interact with Public Officials, customers, or end users with respect to AvePoint's business, unless vetted in advance and approved by AvePoint in writing.

(i) None of Reseller's owners, employees, officers, directors, or any immediate family relation of any such persons (collectively, "Interested Persons") is a Public Official and no part of any compensation paid pursuant to this Agreement shall accrue for the benefit of any Public Official. Reseller will notify AvePoint immediately if, during the term of this Agreement, (i) any Interested Person becomes a Public Official, or (ii) any Public Official acquires a legal, management, or beneficial interest in Recommender.

(j) Reseller shall respond to AvePoint's requests for information related to AvePoint's efforts to ensure compliance with Anti-Corruption Laws and other applicable laws.

(k) Reseller will immediately notify AvePoint if it has any information or suspicion that there may be a violation of Anti-Corruption Laws, applicable Export Control Laws, or any other applicable law in connection with this Agreement. Reseller will fully cooperate and cause Reseller Personnel to cooperate with AvePoint in AvePoint's review or investigation in relation to actual or possible violations of this Section 6.

7. Triggered Audits

AvePoint may, upon seven (7) days prior written notice, audit Reseller's records and accounts if AvePoint reasonably suspects that (i) Reseller or any Reseller Personnel has or will violate any Anti-Corruption Law or other applicable law or regulation, or (ii) Reseller or any Reseller Personnel has or will cause AvePoint, its affiliates, or their respective personnel to violate any Anti-Corruption Law or other applicable law or regulation. Reseller hereby agrees to indemnify, defend, and hold AvePoint, its officers, directors, and employees ("AvePoint Indemnified Parties") harmless from and against any and all losses, claims, expenses, suits, damages, costs, demands or liabilities, joint or several, of whatever kind or nature ("Claims"), including without limitation, attorneys' fees, costs and expenses incurred by the AvePoint Indemnified Parties in

9. Termination

Upon any violation by Reseller or Reseller Personnel of Section 6, AvePoint may, at its sole option, terminate this Agreement immediately for cause and without further liability or obligation to Reseller on the part of AvePoint or its affiliates.

10. Entire Agreement

The Agreement contains the entire agreement of the Parties pertaining to the subject matter addressed herein and supersedes all prior agreements and representations, whether written or oral, with respect to the subject matter of the Agreement. Changes or amendments to the Agreement require written form in order to be effective. This also applies to the cancellation of this written form requirement.

11. Assignment

Reseller may not assign any right, duty or responsibility contained in this Agreement, by operation of law or otherwise, without the prior written consent of AvePoint. Subject to that restriction, the Agreement will be binding on, inure to the benefit of and be enforceable against the parties and their respective successors and assigns.

12. Waiver

AvePoint's failure to enforce Reseller's strict performance of any provision of this Agreement will not constitute a waiver of AvePoint's right to subsequently enforce such provision or any other provision in this Agreement.

13. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of France, notwithstanding any choice or conflict of law rules that would apply the substantive law of any other jurisdiction and excluding the United Nations Convention on Contracts for the International Sale of Goods (CISG). Any claim or dispute arising under or in connection with this Agreement shall be resolved in the courts situated within Paris, France, whose judgment may be entered and enforced by any court having jurisdiction over the parties or their assets.

14. Severability

If any provision of this Agreement is held invalid by a court, such provision will be deemed to be restated to reflect as nearly as possible the original intentions of the parties in accordance with applicable law, and the remainder of the Agreement will remain in full force and effect. The remainder of the Agreement will continue in effect as if the Agreement had been entered into without the invalid portion.

15. Independent Investigation

Reseller has independently evaluated the desirability of participating in the Agreement and is not relying on any representation, guarantee or statement other than as set forth in this Agreement.
