

ACCELERATE MICROSOFT 365 ADOPTION

AvePoint facilitates sustainable adoption for companies around the world by creating fluent, confident, and self-supporting Microsoft 365 users – we’re proud to have helped over 9 million people in this way already, and that number is growing every day.

ON-DEMAND TRAINING

A range of apps in the cloud and on premises, Learning As A Service (LaaS), and add-ins all guarantee productivity on tap.

CHANGE AND ADOPTION

We specialize in education roadmaps for organizations as a whole, delivering tailored training and support for every user.

Education and support, specific to your business

As content writers and developers, MaivenPoint have been delivering a broad portfolio of collaboration training courses to our customers on a global basis since 2003.

What makes us unique:

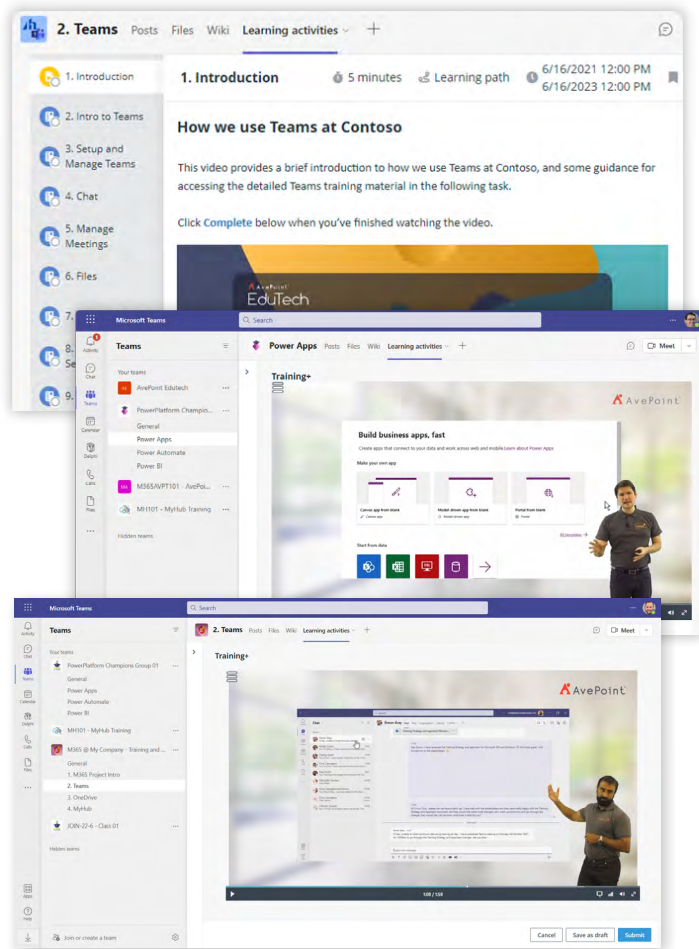

- Apply your own branding to match you organisation’s identity
- Always up to date content with a 3 month refresh cycle to match Microsoft updates
- Multiple content formats to support a variety of learning styles
- Out of the box communication toolkit

Your AvePoint team studies your company values, drives, culture, and - most importantly - your people.”

Over 1000hrs+ of Bitesize Learning Content

The AvePoint Training Platform is loaded with content that complements any M365 or AvePoint project, with pre-recorded end-user training material that can be supplemented with Custom content as needed.
