

Regulatory Compliance Solutions by AvePoint

Turn Compliance into a Competitive Advantage

AvePoint empowers partners to deliver scalable, audit-ready services that simplify audits, reduce risk, and future-proof operations across AI, privacy, and cybersecurity mandates.

Why Regulatory Compliance Matters

Compliance is no longer a checkbox—it's a strategic imperative. Partners face challenges like:

- Fragmented mandates and overlapping frameworks
- Vertical-specific demands across industries
- Undefined AI governance expectations
- Manual audit prep and reactive support

AvePoint helps partners overcome these hurdles with automation-first tools and scalable service models.

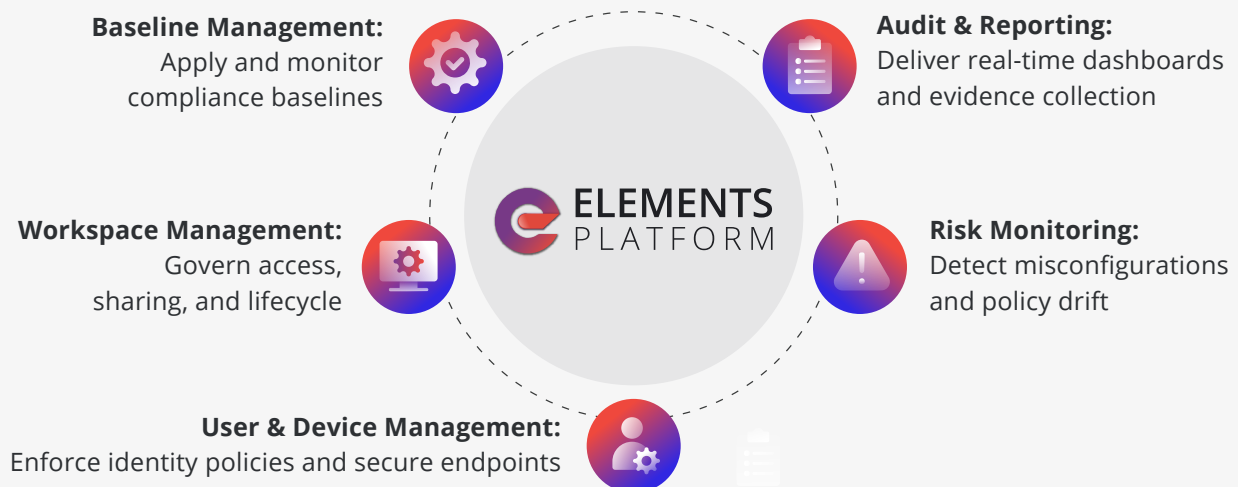

Partner Opportunities

Compliance is becoming a growth lever. With AvePoint, partners can deliver:

- Automated compliance workflows and audit dashboards
- AI governance frameworks with privacy and transparency controls
- Regionally localized and industry-specific compliance packs
- Multi-tenant managed services aligned to ISO, NIST, SOC 2, and more

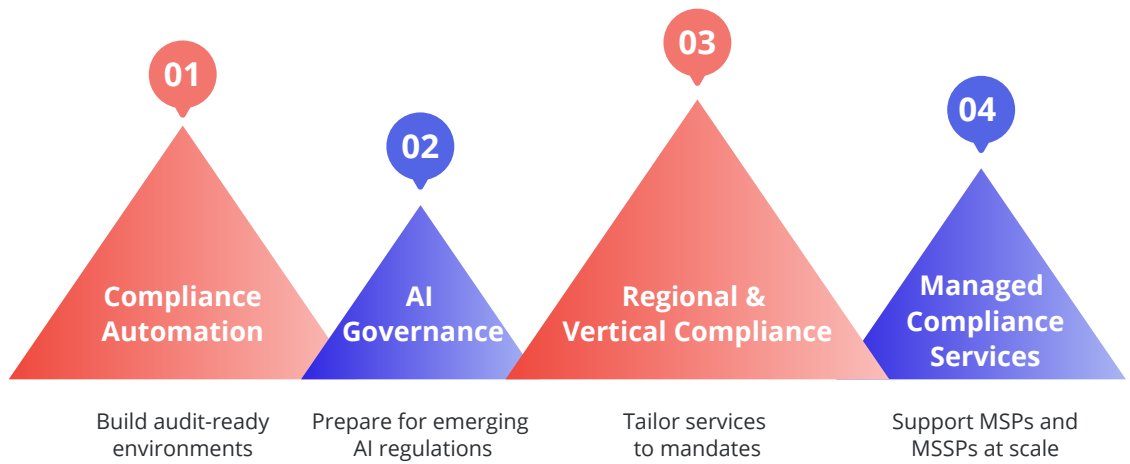

Partners can reduce risk, build trust, and generate recurring revenue.
